Certificate of compliance of European Regulation 1907/2006 (REACH)

We, the undersigned, Ivaldi,

In respect of article 33.1 from REACH regulation n°1907/2006 dated December 18th 2006, « *any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance* ».

Based above our current knowledge about:

- Our manufacturing processes,
- Data and information obtained from our suppliers and subcontractors,
- Standards applicable to our products ;

We inform you that our products, as well as their packaging, sold during the current calendar year, **do not contain** substances of very high concern according to REACH regulation (included in the ECHA candidate list, updated **8th of July 2021**), at a concentration above 0.1% weight by weight.

Last version of the list of substances of very high concern (SVHC) is available for free at:
<https://echa.europa.eu/candidate-list-table>
